Quote of the Day

"American leaders – from Roosevelt to Truman to Kennedy to Reagan – rejected isolation and retreat, because they knew that America is always more secure when freedom is on the march. Our own generation is in a long war against a determined enemy – a war that will be fought by Presidents of both parties, who will need steady bipartisan support from the Congress. And tonight I ask for yours. Together, let us protect our country, support the men and women who defend us, and lead this world toward freedom."

-- President George W. Bush (1/31/06)
